

FIRE UP FOR SCOUTING!

April 14-18, 2008

For your unit to have a successful spring recruitment (Fire Up For Scouting!), the following steps should be followed:

- Attend the Fire Up! Training on April 1st at 7 P.M. at the Elliott Avenue Baptist Church
- Conduct Boy Talks at pre-assigned schools the day before or day of the Fire Up! Rally.
- Be present at the pre-assigned Fire Station(s) on the night(s) assigned. Fire station assignments will be given out at the training on April 1st.

We plan to have a district/council representative at each station to help direct parents and boys to their closest units. We always have boys of all ages attend. Encourage the boys in your units to tell their friends about this opportunity!

ARE YOU FIRED UP??

*Come visit the
Fire Station and
see all the
cool equipment!*

The stations will have stickers,
plastic hats, and/or
other give-aways for
all the boys who attend.

NEED ADULT LEADERS?

New adults come with new boys. Register the new parents as adult leaders for your unit! We are scheduling training during the weeks following our event.
