

Venturing and Exploring Officer's Association Nomination Form

Venturing and Exploring allows the youth to take control of the program to make it what they want it to be. This is true at the unit level but now there is a mechanism in which they can take control of their destiny at district/council level. In Venturing there is a youth leadership structure that starts at the individual unit level then move up to District, Council, Area, Region, and then ultimately National Office. Any Venturer or Explorer may join the VEOA.

There are four Officers in the VEOA also. The officers are responsible for making sure the organization is running correctly. There is a President who leads the organization, and 3 Vice presidents, a VP of Communications, a VP of Program, and a VP of Administration.

Elections will take place at the Venturing and Exploring Recognition Dinner. The induction of officers will also take place at the Recognition Dinner.
