Test Your Patrol

Can you meet the challenge?

Once again, our weekend Polar Bear Camporee will include the Saturday Klondike Derby, and the spectacular Saturday evening Patrol Auction, where each patrol will have an opportunity to bid on at least \$1,000 worth of patrol camping gear.

We are encouraging all troops to camp out the entire weekend, from Friday night until Sunday morning.

Troops or Patrols are encouraged to build shelters to live in during the Camporee. Camp Illinek will be open on Saturday, January 21 for this purpose. Troops can come back the next day (Sunday) or another day to finish shelters if they wish.

Klondike Derby stations will be marked. Shelters cannot be built on them or in the pavilions around camp.

Wood can be brought in by troops. (Troops **must** check with the ranger before cutting any wood at camp).

What is it all about?

Practical problems involving basic Scouting skills or patrol teamwork will be encountered at each station. Depending on how well the team works out each contest problem, they will be awarded a number points (nuggets), and have their score sheet marked. Points will also be awarded based on teamwork, patrol spirit, and scout spirit.

After completing the tasks at each station, they will be off to the next event, visiting each station in rotation to participate in all events.

After the last station, with the “nuggets” collected on the trail, the team is on the final stretch. Report to the Assay Office station to have your score sheets checked and recorded.

Saturday night after church services, “nuggets” earned during the day at each station will be used by patrols to bid on patrol items at the Saturday night auction. At least \$1000.00 worth of camping gear will be up for auction.

In order to remain fair, patrols will not be able to combine their points.
