

Join us as Camp Bunn celebrates its 50th season, and is growing to better serve our Scouts

Since 1972 Camp Bunn, originally Camp Self Reliant, has changed and grown to meet the needs of our Scouting Family. Over the years we have added pavilions, updated program areas, and completed many other major improvements.

Now, as we enter our 50th season, Scouts and Leaders have identified a need for more year round camping facilities. With the approval of the ALC Executive Board we are excited to launch the 50th Anniversary Cabin Expansion project.

Through several phases, our goal is to construct a number of multi-use 4 season cabins, making Camp Bunn available for camping and events regardless of the weather.

Phase one is currently underway, with key staff and volunteers working on final design. This phase is slated to be finalized in early 2022, allowing for construction to start before the 2022 Summer Camp Season.

Phase two is funding. It is estimated that a minimum of \$300,000 will be needed to properly construct and outfit these cabins. These fundraising efforts are aimed at additional gifts, above and beyond annual giving as to not impact operations of the Council and Camps. Additional funds not used for construction will be placed in an endowment to fund future cabin maintenance.

Phase three will be construction and finishing. Using a combination of professional contractors and volunteer work days, we feel that these cabins will add quality facilities to our property, and allow our Scouts and Leaders to have a personal ownership in the Camp.

ABRAHAM LINCOLN COUNCIL

The Cabins

The initial cabin is being designed to maximize the ways the cabin can enhance the Scouting program at Camp Bunn including trainings, weekend campouts, special activities, and more.

The first cabin is being designed to include:

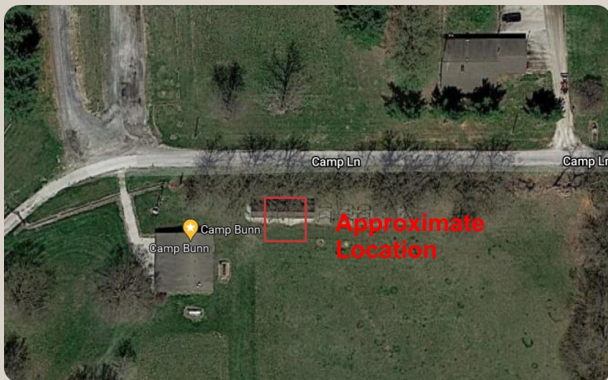

- ADA Restroom
- multi-person bunk rooms
- Kitchenette
- Heat

Additional cabin specs will be determined as the project progresses and donor support is secured.

Location

The initial cabin will be placed approximately in the same location as the former camp directors cabin, and will offer year round users easy access from the main parking lot. Additional cabins will have their final location determined at a later date.

Your Support

To make this project a reality we need your help. Would you consider a gift to help fund the Camp Bunn Cabin Expansion in addition to your annual giving?

We also need help with workdays, gifts in kind, raising funds, and more. Many of you have the talents needed to make this project a success.

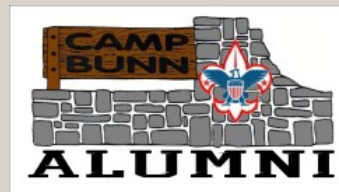

To discuss how you can get involved please contact Jeff Whitten at jeff.whitten@scouting.org or 217-529-2727.

Camp Bunn Alumni

Since its founding, Camp Bunn has welcomed thousands of Scouts through its gates. From the year one Camp Staff, to the first year camper in 2021, each and every person is an Alumni of Camp Bunn.

Along with the Cabin Project, we would like to use Camp Bunn's 50th Anniversary as a chance to bring the countless Alumni together and formally establish the "Camp Bunn Alumni" as a group of Scouts and Scouters passionate about their camp, and ready to help it grow over the next 50 years.

We would like to invite every Scout, Leader, Staff Member, and more to join us at Camp Bunn on July 1st for a celebration of the last 50 years, and a commitment to the next 50. Your RSVP is appreciated and can be made at alincolnbsa.org/bunnalum
