

BSA Usage of Island Bay Yacht Club Facilities

Abraham Lincoln Council, BSA

Scouts and Scouters are permitted in the boat storage North Harbor area only. Parking is available in this area – DO NOT park in the main parking lot.

All other IBYC facilities are **off limits** to Scouts and adult leaders. This includes the Club house, swimming pool, snack bar, main parking lot, picnic shelter area and all dock areas.

Only the restrooms near the boat storage/slip area are available for Scout use.

Picnic tables in this area are permitted for Scout use for snack lunches. No food is available from Island Bay Yacht Club (IBYC).

The electric boat hoist is to be operated by adults only. No Scouts are permitted to operate the hoist or be in the presence of the hoist when in use.

The Scout Catalina boats are to be stored in the assigned dry slips only.

All approved leaders will be qualified Scouters and Sailors who adhere to BSA leadership requirements and are BSA swimmers.

Scouts and leaders are guests of IBYC and should respect the IBYC members and their facility. This cooperation between IBYC officers, the IBYC sailing committee and the Abraham Lincoln Council, Boy Scouts of America is very important to our sailing program success.
