

IDOT District 6 Engineering Post 6 and Lincoln Land Community College present:

V/E OPEN HOUSE

A Career & Activity Exploration Fair

Wednesday - September 5, 2007

5:00 – 8:00 pm

VENTURING • BSA
**The Trutter Center, Lincoln Land
Community College, Springfield**

(Go south from Springfield on I-55 to Toronto Road, then east to the LLCC campus. The Trutter Center is one block south and one block east of the LLCC entrance.)

Trying to decide on a career? Looking for some fun? Are you interested in engineering, law, law enforcement, fire fighting, medicine, aviation, computers, mechanics, community service, the outdoors, and more?

You are invited to explore a variety of careers and activities through the numerous Springfield-area Explorer Posts and Venturing Crews. Members and leaders of many of the local posts and crews will be present to chat with you.

A Program for Career Education

No cost, no obligation. Check it out!

Venturing and Exploring are programs of the Boy Scouts of America and Learning-For-Life. For more information, visit the Abraham Lincoln Council website at www.alincolnbsa.org or call (217) 546-5570.
