

# RECHARTERING

GET READY NOW

2.0

- The New Online Rechartering System Opens on October 15, 2021, but you need to start preparing now.
- The new system will be accessed using your same credentials used to access Scoutbook.com or My.Scouting.org. with recharter being listed under options.
- All adults must have current youth protection training. The unit will have the ability to load YPT certificates as well as CBC Disclosure Authorizations.
- Ensure unit leaders are correctly registered for their positions. Submit new applications as required.
- Turn in new applications as soon as they are completed to your District Professional with correct fees.
- Once Submitted, the key 3 and delegate will receive an email requesting a digital signature. If necessary, the CC, UL and delegate may sign on behalf of the COR.
- If a unit's charter has not renewed before December 31, 2021, it will be dropped which will affect a youth's ability to advance.
